Languages

- English: Fluent
- TshiVenda: Fluent
- IsiZulu: Fair
- SeTswana: Fair

Personal Qualities

- Team-player
- Hard-worker
- Patience
- Honest
- Ethically and morally sound character

Education

BSc(Hons) in Electrical and Information Engineering

University of the Witwatersrand, Undergraduate*

Experience

Student Volunteer

December 2022

CHPC National Conference 2022.

- Providing assistance to the organisers*
- Monitoring and providing information and updates to the online participants*

Volunteer

June 2021 – August 2021

Data for Municipal Infrastructure Assets

- Data retrieval and processing*
- Assessing roads-rivers crossings, identifying their state, marking them, assigning them repair priorities*

Teaching Assistant

Feb 2021 – June 2021

University of the Witwatersrand

- Assisting groups and individuals with course (Microprocessors) concepts they found unclear*
- Aiding students with the course software stack set-up and (Assembly) code debugging*

Lecturer Assistant

Nov 2020 - Feb 2021

Wits – School of Electrical and Information Eng.

- Testing and analysing new proposed micro-controllers to be used by the school in the future*
- Implementing and testing coming year labs on the proposed micro-controllers*
- Observing and testing the lab instructions for errors, implementability, and time practicality*

Achievements

- | | |
|---|------|
| ✓ Made ISC22-SCC team CHPC | 2022 |
| ✓ Came 2 nd out of 4 finalists on CHPC-SCC | 2021 |
| ✓ Came 2 nd out of 9 in DIRISA DATATHON | 2021 |
