Dear Scaw Recuiting Team,

I am writing to apply for the Scaw Metals Bursary Scheme for the 2024 academic year.

As a dedicated Electrical and Information Engineering student, I am enthusiastic about the opportunity to receive sponsorship from Scaw Metals. I understand that eligibility is subject to company objectives, compliance, and available funds, and I am committed to meeting all criteria.

I believe that my academic achievements and passion for Electrical and Infromation Engineering make me a strong candidate for your bursary scheme. I look forward to the chance to discuss how this support aligns with my goals.

Thank you for considering my application.

Sincerely,

Nduvho Edward Ramashia
