MR EN RAMASHIA
5219 LADUMA AVENUE EXT 7
ALEXANDRA
JOHANNESBURG
GAUTENG
2090

YOUR REFERENCE NUMBER:216010549
(must be used in all correspondence with UJ)

Dear MR RAMASHIA

Your application to BSc in Information Tech in ComScienc&Inf (APK CAMPUS FULL-TIME) for 2020 refers.

Thank you for applying to study at the University of Johannesburg. Based on your final Grade 11/12 results you have been provisionally selected for a BSc in Information Tech in ComScienc&Inf in the FACULTY OF SCIENCE on APK Auckland Park Kingsway .

ADMISSION STATUS VERIFICATION

Your selection/admission can be verified on the UJ website: <https://student.uj.ac.za/status.aspx>. No notice regarding your selection/admission is official and binding on the University unless it has been sent by e-mail to you from the University's server or uploaded by the University to the above website.

Provisionally selected for applicants **CURRENTLY in grade 12 means that:**

1. We will receive your final Grade 12 results from the Department of Basic Education in January 2020. Your results will be matched to your application.
2. If you meet all the admission requirements and selection criteria, including the subject specific requirements and the relevant endorsement, your application will be ranked based on your performance and space availability.
3. We will send you an e-mail to confirm your application status.
4. Please do not come to the University of Johannesburg in January 2020 to verify your status or submit your final results, unless requested to do so.
5. Please note that the minimum APS for the above-mentioned qualification is:

| Qualification Information | | |
|--|----------------------------|-----|
| BSc in Information Tech in ComScienc&Inf | With Mathematics | 30 |
| BSc in Information Tech in ComScienc&Inf | With Mathematical Literacy | N/A |
| BSc in Information Tech in ComScienc&Inf | Without Math OR Math Lit | N/A |
| BSc in Information Tech in ComScienc&Inf | APS Average | 35 |

In order to improve your chances of final admission in January 2020, the University recommends that you achieve the average APS as indicated in the table above (this APS is based on the average APS score of the previous years registered students for this qualification).

Provisionally selected for applicants who **COMPLETED grade 12 means that:**

1. All applicants applying for the 2020 academic year will be ranked in January based on their performance and space availability.
2. Please do not come to the University of Johannesburg in January 2020 to verify your status - we will send you an e-mail to confirm your application status.
3. Please note that the minimum APS for the above-mentioned qualification is:

| Qualification Information | | |
|--|----------------------------|-----|
| BSc in Information Tech in ComScienc&Inf | With Mathematics | 30 |
| BSc in Information Tech in ComScienc&Inf | With Mathematical Literacy | N/A |
| BSc in Information Tech in ComScienc&Inf | Without Math OR Math Lit | N/A |
| BSc in Information Tech in ComScienc&Inf | APS Average | 35 |

In order to improve your chances of final admission in January 2020, the University recommends that you achieve the average APS as indicated in the table above (this APS is based on the average APS score of the previous years registered students for this qualification).

REGISTRATION

- All first-year students must attend a compulsory first-year seminar. The first-year seminar dates will be communicated to you during November 2019. Failing to attend the first-year seminar may lead to your space being allocated to another applicant.
- Your registration dates will be communicated to you during November 2019. You need to ensure that you register within the specified registration period. Registration dates can be found on the UJ website at www.uj.ac.za from December 2019.

FEES

Information on tuition and other fees due for 2020 will be available during November 2019. Please visit the UJ website at www.uj.ac.za for more information.

UJ MERIT BURSARIES

Academic merit bursaries are awarded on the grounds of exceptional Grade 12 results. Please visit the UJ website at www.uj.ac.za for more information.

NSFAS (NATIONAL STUDENT FINANCIAL AID SCHEME)

The closing date for application is 30 November 2019 and you can visit <http://bit.ly/2m3M7kM> for more information on NSFAS applications.

RESIDENCE

If you applied for admission to a residence, you will receive a separate letter in this regard. Academic admission to the University of Johannesburg does not guarantee admission to the residences.

AGREEMENT AND INDEMNITY

- You will be required to complete, sign and submit a formal agreement (with the University of Johannesburg) when you register.
- The formal agreement includes terms exempting the university and persons for whose conduct it is responsible from and indemnifying them against liability arising from damages and losses you may suffer.
- If you are under the age of 18, a parent or guardian must sign the required form.
- You will be registered on the strict understanding that you agree to abide by the Student Charter rules, the Academic Regulations of the University of Johannesburg, the rules and regulations of the faculty and the policies and procedures of the University as amended from time to time.
- You undertake to pay the prescribed fees and accept that you are bound by the provisions of the formal agreement.

VERIFICATION OF PREVIOUS QUALIFICATION(S)

The University of Johannesburg will verify your previous qualification(s) in order to determine a) the authenticity of the qualification(s) awarded, and b) that the qualification(s) was issued in your name by the said tertiary institution(s).

The University of Johannesburg has the right to a) cancel the application or b) cancel the registration of an applicant, should the University of Johannesburg have reason to believe that there was any error, or dishonest or fraudulent conduct in connection with the obtaining of the qualification or in respect of the qualification certificate

DISCLAIMER

Where applicable, the University of Johannesburg reserves the right to review the admission or registration status of an applicant where an applicant did not:

- a) Indicate details of previous studies both current and prior to the application.
- b) Indicate the correct matric type at the time of application.
- c) Indicate any other relevant/correct information
- d) Supply documentation that could have affected the decision process of the application.

The University of Johannesburg reserves the right to review the admission or registration status of an applicant where the University establishes that there is an administrative oversight. In such an instance, the University will rectify the error and communicate the change to the applicant.

Final admission for applicants completing the ACE School of Tomorrow is dependent on a PSYCADC evaluation, NBT results and Senate discretionary approval.

DISCLAIMER FOR STUDENTS WITH DISABILITIES:

The University of Johannesburg will, through its disability unit (PsyCaD), provide reasonable support for a disability as far as possible. It is the student's responsibility to contact the Disability Unit (DU) before commencement of studies in order to determine whether the Unit can provide the necessary support. In those instances, where the Unit cannot provide the required support, alternatives will be discussed with the student.

All applications are subject to the University's rules, regulations, policies and practices, including the University's Policy on Admission and Selection.

Yours sincerely

University of Johannesburg
