Dear Scaw Recuiting team,

I am writing to express my keen interest in Scaw Metals' Student Vacation Work Program, advertised for the period of 11 December 2023 to 19 January 2024.

As a dedicated tertiary student aspiring to contribute to the steel manufacturing industry, I am drawn to Scaw Metals' commitment to excellence. I am excited about the opportunity to gain practical experience in engineering roles within your esteemed organization.

My academic background has equipped me with a strong foundation in engineering principles, and I am eager to apply this knowledge in a real-world setting. I am confident that my adaptability, quick learning, and strong analytical skills align with the dynamic environment at Scaw Metals.

I am impressed by Scaw Metals' reputation for innovation and teamwork. I am eager to contribute to your success and learn from industry experts during the program.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and passion align with the goals of Scaw Metals.

Sincerely,

Nduvho Edward Ramashia
